### What is a cookie?

A 'cookie' is a type of data file that is stored on your device when you visit a website or perform actions while visiting a website. A cookie file contains information that is transferred to your device's memory which is recalled when you revisit our site, or when you perform certain actions on your device. Where we refer to a cookie in this policy, this incorporates similar tracking technologies.

### Necessary Cookies

When you first visit our website, we only use necessary cookies. This means that additional cookies (called "Optional Cookies" in this policy) won't be used unless you agree to accept/enable all cookies or select your own cookie preferences.

### Optional Cookies

Optional cookies are used for analytical, performance, advanced functionality and advertising purposes. More information is set out in this policy. Optional cookies help us improve our website and we believe accepting all optional cookies provides you with the best user experience.

Cookies can be "First Party", i.e. set by us, or "Third Party", i.e. placed on your device by another organisation when you visit our website. Third-party cookies may be placed on your device by an organisation providing a service to us or by our business partners, so that they can advertise products and services to you on our website and elsewhere on the internet. Because of how cookies work, our website cannot access third-party cookies stored from other websites; nor can other organisations access the data in the cookies we use on our website.

### Changing your preferences

You can select to accept/enable some or all of the optional cookies either within the settings of your own device or by selecting the option provided on our website.

### How long will cookies stay on my device?

The length of time a cookie will stay on your computer or mobile device depends on whether it is a "persistent" or "session" cookie. Session cookies should expire when you stop browsing. Persistent cookies stay on your device until they expire after a set period or are deleted. For each of the cookies used on our website we have set out the duration in the tables below.

Cookie Name	Purpose	Controller	Duration
Crumb	Squarespace sets this cookie to prevent cross-site request forgery (CSRF)	Squarespace	This cookie is session based and is deleted the next time you close your browser.
ss_cvr	Squarespace sets this cookie to identify unique visitors and track a visitor's sessions on the site	Squarespace	2 years
ss_cvt	Squarespace sets this cookie to identify unique visitors and track a visitor's sessions on the site	Squarespace	30 minutes
Vuid	Vimeo installs this cookie to collect tracking information by setting a unique ID to embed videos to the website	Vimeo	2 years

RecentRedirect	This cookie is used for preventing redirect loops as this is bad for SEO	Squarespace	Session
JSessionID	Used by New Relic to store a session identifier so that New Relic can monitor session counts for an application	New Relic	Session
Cookieeyes-consent	To remember users' consent preferences so that they are respected on subsequent visits to this site. It does not collect or store any personal information of the site visitors	CookieYes	1 year

## The Cookies we use on our website

### Necessary Cookies

Necessary Cookies are cookies that are required for the operation of our website. They include, for example, cookies that allow page navigation or enable you to access certain areas of our website. Our website cannot function properly without these cookies. Necessary Cookies can only be disabled by changing your browser preferences but doing so may result in reduced or limited functionality of our website. In some circumstances our website may cease to function as intended if necessary cookies are disabled, deleted or otherwise altered. We do not accept any liability for any loss arising where necessary cookies are disabled, deleted or otherwise altered. We use the following necessary cookies:

### Optional Cookies

We and third parties like to use cookies on this website to enhance your user experience, personalise content and advertisements, provide social media features, and analyse the traffic/visitor actions on our website. Optional cookies help us to provide you with the experience we intend to provide when you browse our website and also allow us to improve our website and the service we provide.

We need to obtain your consent to use Optional cookies; this is usually by way of a pop-up notice. As set out in this policy, you can change your preference at any time.

## Advanced functionality, Analytics and Performance

We use advanced functionality cookies to recognise you when you return to our website. This enables us to personalise our content for you, greet you by name and remember your preferences (for example, your choice of language or region).

We use analytical/performance cookies to enable us to recognise and count the number of visitors and to see how visitors use our website when they are using it. This helps us to improve the way our website works, for example, by ensuring that users are finding what they are looking for easily.

We would like to use the following optional advanced functionality, analytics and performance cookies:
